VICE-CHANCELLOR AND PRESIDENT

The Vice-Chancellor's financial delegation is established by Section 22 (4) (a) of the Governance, Academic and Student Affairs Statute 2013 under "Functions and powers of Vice-Chancellor", which reads:

Subject to University legislation and any resolution of the Council, the Vice-Chancellor may:

(a) within the limits and for the purposes expressed in the budget of the University (or outside those limits for other purposes, in an emergency) commit the funds of the University.

The commitment of funds outside the limits expressed in the budget of the University or for other purposes, under subsection 22 (4) (a), is to be reported by the Vice Chancellor to the next meeting of Council (refer subsection 22 (5) (a)).

ALL OTHER POSITIONS

Financial Delegations of Authority are delegated to specific positions. Holders of the positions listed in this Schedule Financial Delegations of Authority (the 'Schedule') are authorised to commit and/or make expenditure in accordance with the limits applied to their respective Band. Positions are fixed within Bands and commitment/ expense limits are set within each Band, refer to: Appendix Ginance & Income Schedule). A guide to the positions within Bands is provided at Appendix B. This Schedule has been prepared in accordance with University's Delegations and Authorisations Policy. The limits set by each Band apply to each transaction approved, with transactions to be in accordance with the University Purchasing Policy and Procedures. Financial Delegations of Authority vary to accommodate:

- "with exception" delegation rights where appropriate for certain delegates as indicated in <u>Appendix A</u>;
- special requirements to enable finance staff to perform the functions of their office;
- corporate credit card holder requirements;

Note:

- "J" after the Band number indicates the position has been provided with financial delegation of authority in order to process journals only.
- "X" after the Band number indicates the position has special "with exception" privileges which in some instances require a prior approval process e.g. approval from a committee.
- "Credit Cardholders" all positions holding a corporate credit cardholder are provided with financial delegation of authority for credit card expenditure only, and within the limits of their assigned Band (reference is made to <u>Appendix B</u>). The daily transaction limit of each cardholder shall not exceed the budgeted expenditure limit assigned to their respective Band. Positions holding a corporate credit card will not be listed in this document (due to the frequent changes to cardholders), a schedule listing the positions holding a credit card will be maintained separately by the credit card administrator.

If a position requires Financial Delegation, but is not listed in this Schedule, then completion of a 'Request to add/delete a Financial Delegation/Authorisation' is required. As permitted under Section 26 (7) of the Victoria University Act 2010, the Vice Chancellor delegates authority to approve Financial Delegation of Authority Requests to these positions:

- Chief Financial Officer (CFO);
- Director, Strategic Financial Solutions; or
- Associate Director Strategic Capital Management
