small pool of Department Vehicles for which a genuine business need has been demonstrated.

(9) The University Motor Vehicle fleet delivered under this Policy will be fit for purpose, efficient, cost-effective and environmentally sustainable.

(10) The University encourages staff to utilise alternatives to travel, such as video conferencing, or consider alternative forms of transport such as public transport, Uber or hire car in lieu of using a University Motor Vehicle or private vehicle.

(11) Only authorised drivers may drive University Motor Vehicle for University business in accordance with the [Motor Vehicle Procedure](#).

(12) It is a requirement that any person driving a University Motor Vehicle must hold a current driver's licence appropriate to that type of vehicle.

(13) University Motor Vehicles are only to be used for business purposes. No private use is permitted.

(14) Staff and students who use University Motor Vehicles in an unauthorised manner may face disciplinary action in accordance with the [Appropriate Workplace Behaviour Policy](#) or [Student Misconduct Procedure](#).

(15) In the event of an accident involving a University Motor Vehicle, the authorised driver must follow the instructions specified in the [Motor Vehicle Procedure](#).

Sustainability

(16) The procurement and management of University Motor Vehicles will be conducted in line with VU's strategic objectives and commitment to sustainability, with the express view of reducing kilometers travelled, reducing greenhouse gas emissions associated with transport and a proactive working towards carbon neutrality.

Lease and Purchase Requirements for University Motor Vehicles

(17) All University Motor Vehicles are to be leased or purchased via the Procurement department who are responsible for managing the University's fleet in accordance with this Policy.

- a. In general, University Motor Vehicles are to be leased and not purchased. Where there is an operational requirement for the purchase of a vehicle, the purchase must be made via the Procurement department utilising the University's preferred suppliers.
- b. No other University organisational unit is to purchase, own, lease or changeover a University Motor Vehicle except those excluded from this Policy in Clause 4.
- c. Organisational Units in contravention of this requirement must dispose of the vehicle or make immediate arrangements to transfer the lease to the Procurement department, noting that as per Clause 19, organisational units are responsible for all costs associated with Department Vehicles.

(18) Requests for new University Motor Vehicles, including renewal of lease and changeover of existing vehicles, must be endorsed by the relevant Vice Chancellor's Executive (VCE) (Band 2 delegation) and approved by the Deputy Vice-Chancellor Finance.

- a. University Motor Vehicles will be selected from a standard range that meets University requirements for safety, sustainability and cost. If required for operational reasons, the Executive Director Procurement and Finance Operations may approve an alternative vehicle.

(19) Organisational units will be responsible for all costs associated with the lease and operation of a Department Vehicle, including Fringe Benefits Tax (FBT). The University is required to pay FBT to the Australian Taxation Office on

those elements of usage of University vehicles of a private nature.
