Glossary Terms and Definitions

"Award Course" - A structured combination of approved units and/or supervised research into which students are admitted and are issued with an Award at the completion of their studies.

"Accredited Courses" - Courses that are accredited by a VET regulator in accordance with the Standards for VET Accredited Courses. These courses address skills requirements for industry, enterprises and the community where these are not covered in nationally endorsed Training Packages.

"ASQA (Australian Skills Quality Authority)" - The Australian Skills Quality Authority (ASQA) is the national regulator for Australia's vocational education and training sector. ASQA regulates courses and training providers to ensure nationally approved quality standards are met.

"Scope of Registration" - The training products for which a Registered Training Provider (RTO) is registered to issue AQF certification documentation. It allows the RTO to provide either training and/or assessment resulting in the issuance of AQF certification documentation.

"Training Packages" - Training packages are a set of nationally endorsed standards and qualifications for recognising and assessing an individual's skills in a specific industry. Training Packages are developed by Service Skills Organisations (SSO's) through an industry consultation process and endorsed through the Australian Industry and Skills Committee (AISC). All Training Packages contain three major components: qualification framework, units of competency and assessment guidelines.

"Victorian Purchasing Guide (VPG)" - Victorian Purchasing Guides contain nominal hour allocations for units of competency and maximum hour allocations for qualifications within training packages. They also contain sample training programs that have been developed for nationally endorsed training packages.
