Part B - Establishing and Extending Third-Party Arrangements

(6) The principles and requirements for establishing Third Party Arrangements are outlined in Part A of the [Third Party Arrangements Policy](#).

(7) New off-shore course delivery and changes to existing location must be notified to TEQSA via the Provider Portal prior to commencement.

(8) No extensions of existing contracts will occur (for example to additional sites or countries) without passing through the prescribed stages outlined in the Course Concept and Business Case and Risk Assessment and Due Diligence sections of Part A of the [Third Party Arrangements Policy](#).

(9) All contracts will be developed in accordance with the [Contracts Policy](#) and [Contracts Procedure](#).

Part C - Policy and Regulatory Compliance

(10) All students and staff in third-party delivery sites are expected to comply with the University's regulations, policies and procedures, as outlined in the certified Agreement.

(11) The Director, Teaching and Learning, TNE Partnerships is responsible for ensuring that current versions of VU Policies and Procedures are provided to partners and regularly updated.

(12) If the external regulatory framework of a partner changes during the time of the agreement, a new agreement incorporating any necessary changes must be progressed through the University's approval process.

Part D - Student Selection and Support

Student Selection, Admission and Enrolment

Entry qualifying requirements

(13) Admission requirements are established in the partnership agreement and will align with the admission requirements established through the University's course approval process. This includes English language requirements and any approved pathway arrangements.

(14) The Country Education Profiles (hosted on the Federal DET website) sets out comparability of overseas and Australian qualifications as well as other publicly available data about institutions' standing, and may be used to assist with the assessment.

(15) Students must show evidence of English proficiency level (e.g. IELTS, TOEFL or other acceptable English test results or previous qualifications using English as a medium of instruction) at the required level as specified in VU's Admissions - English Language Admission Requirements Procedure.

(16) If an applicant undertakes a VU English course to achieve an English Language Proficiency result, TNE Partnerships is responsible for ensuring evidence is provided to Student Enrolments to show that the student has successfully completed the required level for entry to the intended course.

(17) If an applicant studied previous qualification(s) in a country recognised as offering English-language programs, English language proficiency need not be assessed. A list of countries where qualifications are deemed to be in English is maintained by VU Global.

(18) TNE Partnerships is responsible for ensuring course admission requirements (academic, English and, if required, professional experience) in the partnership agreement and marketing material accurately reflect course admission requirements approved by Academic Board.

Admission process

(19) Partner staff are responsible under the terms of Agreements for assessing applications against the approved admissions criteria. Where applications involve non-standard elements, the Site Coordinator consults with the Director, Teaching and Learning, TNE Partnerships and Head of Program who may make a determination with reference to the approved criteria in the Agreement.

(20) Applicants who have been made and accepted offers can enrol using MyVU, including those assessed by a partner with a delegated authority (if applicable) from the Chief Student Officer and Registrar.

(21) Letters of offer issued to students will include the following information:

    a. confirmation that applicants will be enrolled as VU students should they accept the offer;

This policy document may be varied, withdrawn or replaced at any time. Printed copies, or part thereof, are regarded as uncontrolled and should not be relied upon as the current version. It is the responsibility of the individual reading this document to always refer to Victoria University's Policy Library for the latest version.

b. award courses in which students are to be enrolled; and,

c. Credit or Recognition of Prior Learning assessment result (if applicable).

(22) Applicants who meet the requirements as set out in the University's [Admissions Procedure](#) may request a review of an admission decision.

Credit and Pathways

(23) All arrangements for course credit and advanced standing or any pathway arrangements will be managed in accordance with the [Credit Policy](#), the [Credit - Academic Credit Procedure (HE)](#) and the [Credit - Pathways Procedure](#).

(24) Outcomes of applications for credit are included in letters of offer issued to applicants.

Enrolment process

(25) The Director, Admissions, Enrolments, and Graduations is responsible for ensuring enrolment occurs in a timely manner after approval and that enrolment records are maintained accurately in Student One.

(26) TNE Partnerships is responsible for providing Student Services and Administration with academic calendars for each partner.

Orientation

(27) Student Services and Administration is responsible for producing the Offshore Student Guide.

(28) The TNE Program/Partnership Manager is responsible for providing the Offshore Student Guide to the Partner for distribution during student orientation, with copies to the Director Teaching and Learning, TNE Partnerships, the relevant College Associate Director, Learning and Teaching and Site Coordinators.

(29) The Site Coordinator must provide evidence to the Joint Operations Team to support its ongoing monitoring of the student experience.

(30) The Campus Director and Principal, VU Sydney and Brisbane is responsible for producing the VU Sydney/Brisbane Student Guides.

(31) Partners, with support from the TNE Program/Partnership Manager and Site Coordinator, are responsible for ensuring that orientation programs in each teaching period are provided for commencing students. Orientation material may cover:

a. Study related information

b. Policies and procedures relevant to Learning and Teaching

c. Accessing and completing Academic Integrity Modules in the LMS (VU Collaborate)

d. Student Complaints, Appeals and Advocacy procedures

e. Learning resources, including the use of the LMS (VU Collaborate) and VU's online library resources

f. Student and learning support services available

g. Facilities and access to physical, online and teaching resources

Student Progress

(32) The Director, Teaching and Learning, TNE Partnerships, Site Coordinator, the College and the Partner Course Coordinator work collaboratively to monitor student progress and provide support as necessary in accordance with the [Academic Progress Regulations 2016](#) and Procedures.

This policy document may be varied, withdrawn or replaced at any time. Printed copies, or part thereof, are regarded as uncontrolled and should not be relied upon as the current version. It is the responsibility of the individual reading this document to always refer to Victoria University's Policy Library for the latest version.

(33) Students must be given access to VU's Academic Progress model as specified in the Regulations and Procedures.

(34) Offshore Show Cause Panels consist of the Discipline Leader or the equivalent person in the offshore institution nominated by the Executive Dean or equivalent of the partner institution, a senior academic from VU, and the VU Site Coordinator.

(35) Records of the outcome of student progress matters must be reported to Student Services and Administration for adding to the student's academic record.

Student Evaluations

(36) All Partnership Agreements must include details and responsibilities for the conduct of student surveys and other feedback.

(37) The TNE Program/Partnership Manager or College advises VU Data Insights when student evaluation surveys should be conducted and advises the partner that the survey is available.

(38) Once the survey is complete, Data Insights undertakes the processing of survey forms, the analysis of responses and the creation of reports. Data Insights provides SEU (Student Evaluation of Unit) and SET (Student Evaluation of Teaching) reports to the Director, Learning and Teaching, TNE Partnerships and the Educational Quality Coordinator (TNE & External Delivery.) They are then provided to the Head of Program and the Executive Dean of the relevant College.

(39) The Director, Teaching and Learning TNE and Site Coordinator are responsible for addressing and reporting any trends emerging from SEU. The partner institution may administer its own survey instruments. In this instance, the partner may provide feedback to the Director, Learning and Teaching, TNE Partnerships through the quality reviews for delivery improvement.

Student Support

(40) TNE Partnerships is responsible for consulting with Student Services and Administration to ensure that the partnership agreement covers provision of student support services at the partner locations by appropriately qualified personnel. Such provisions will be monitored by the Joint Operations Team.

(41) The partner institution is responsible for the provision of support services required under the Higher Education Standards Framework (Threshold Standards) 2021 (Cth) and the learning and support needs of students and relevant student support services (e.g. academic support, counselling) as specified in the Agreement. Services may include:

   a. orientation and transition support.
   b. ongoing academic language and learning support, including an appropriate range of generic and discipline specific support services and development activities that are available to onshore students.
   c. access to online support from VU Library and MyVU.
   d. personal support such as counselling, health, welfare, accommodation and career services.

Part E - Quality Assurance and Equivalence of Learning

Curriculum standards and customisation of curriculum

(42) The Executive Dean is responsible for ensuring the achievement of approved learning outcomes in course and unit levels.

(43) The Director, Teaching and Learning, TNE Partnerships is responsible for ensuring resources provided offshore are comparable to those available to VU Melbourne staff for learning, teaching and related assessment activities.

(44) Contextualisation and/or customisation of curriculum at the unit level may be required to ensure the relevance of learning outcomes in a local context. This may include:

a. inclusion of local case studies and examples
b. inclusion of comparative studies
c. opportunities for students to consider issues and problems from a variety of cultural perspectives
d. adjustment to teaching and learning strategies and assessment modes to accommodate students' various learning approaches
e. course delivery customisation in line with partner academic calendars.

(45) With regard to contextualisation and/or customisation of curriculum, the Director Teaching and Learning, TNE Partnerships together with the Director Learning and Teaching of the relevant College and the Unit Convenor, ensures:

a. internationalisation and/or customisation is consistent with learning outcomes and assessment of a unit;
b. the same overall academic standard is maintained;
c. units of study are delivered entirely in English.

(46) The Unit Convenor is responsible for ensuring that unit guides in CAMS and the LMS are consistent. The Unit Convenor will use the LMS to generate the unit guides used to teach in a partner institution. If any issues arise these will be addressed by the Course Chair in the first instance. Matters which cannot be resolved by the above process will be referred to the Executive Dean.

(47) The Courses Committee of Academic Board endorses curriculum arrangements prior to course delivery.

(48) The Senior Deputy Vice-Chancellor and Chief Academic Officer is responsible for oversight of ongoing academic quality assurance and improvement.

Assessment processes

(49) The Site Coordinator and Unit Convenors are responsible for making sure that assessment is undertaken in a transparent and robust manner. This includes provision of the following items to students:

a. assessment rubrics
b. samples of marked assessment tasks, including examinations, from past delivery
c. timely feedback to assist students in understanding their learning progress.

(50) VU's Assessment for Learning Policy and all associated Procedures will apply to assessment of students in third-party delivery arrangements, unless otherwise specified in the Agreement and with the explicit approval of the Senior Deputy Vice-Chancellor and Chief Academic Officer.

Security of examination papers and assessment documents

(51) Security of examination papers, both prior to and after examinations, and all assessment documents are specified in the Agreement and identified in the Partnership Responsibility Matrix.

(52) Where this involves the transfer of examination papers from VU Melbourne to another location and administration at a partner location, the partner's Examination Officer or equivalent will be responsible for the security of the papers once in their custody.

(53) Courses Committee endorses assessment arrangements prior to course delivery as approved by Academic Board. The Senior Deputy Vice-Chancellor and Chief Academic Officer is responsible for oversight of ongoing academic quality assurance and improvement.

Academic Integrity

(54) The Director, Teaching and Learning, TNE Partnerships, the Site Coordinator and Unit Convenor, in collaboration with partner teaching staff, are responsible for ensuring that partner staff and students are aware of the University's requirements regarding academic integrity, and what this entails.

(55) Consistent with the [Academic Integrity Policy](#) and [Academic Integrity Guidelines](#), VU and Partner teaching staff are responsible for:

a. supporting students to complete the academic integrity modules including information on citation requirements and preferred referencing style in the unit guide;
b. equipping students with language, writing and academic skills to successfully navigate assessment tasks and demonstrate academic integrity.
c. providing samples of past students' work that demonstrates academic integrity;
d. introducing tools to help students learn about proper citation techniques;
e. referring students to the resources available in Academic Integrity HQ in VU Collaborate and the VU Library website.

(56) Staff must report to the Site Coordinator, who will include this information in wider University reporting:

a. Marking and moderation reports indicating plagiarism issues;
b. Reports on annual investigated cases.

(57) TNE Unit Convenors report examination breaches to Site Coordinators.

Periodic reviews

(58) Courses within the scope of these Procedures are subject to Annual Course Monitoring (ACM) and Comprehensive Course Review (CCR) processes as set out in the [Courses Lifecycle Policy](#) and Procedures.

(59) Academic Quality and Standards is responsible for oversight of ongoing academic quality assurance and improvement, including comprehensive course monitoring, review and improvement processes.

(60) Correlation analysis between student pass rate and entry pathways will be provided by approved institutions. Data Insights will be responsible for analysing this data to be provided to Academic Quality and Standards.

(61) Academic quality reviews of third-party arrangements will be conducted by Partnerships in accordance with the [Third Party Arrangements - Review of TNE and Third Party Arrangements (HE) Procedure](#).

(62) Strategic reviews of third-party arrangements will be conducted prior to renewal of agreements and under the instruction of the Senior Deputy Vice-Chancellor and Chief Academic Officer in accordance with the [Third Party Arrangements - Review of TNE and Third Party Arrangements (HE) Procedure](#).

Part F - Staffing Requirements

Qualifications and requirements of teaching

(63) The Director, Teaching and Learning, TNE Partnerships is responsible for recommending VU and partner teaching staff and ensuring they:

a. are appropriately qualified in the relevant discipline for their level of teaching;
b. have a standard of English proficiency (IELTS) at least one level higher than that required for students in the course and the capacity to deliver the course in the English language to an adequate level of proficiency; and

c. are qualified to at least one AQF or equivalent qualification level higher than the course of study being taught, or possess equivalent professional experience according to VU's established criteria (refer to the [Learning and Teaching Quality and Standards - Equivalence of Professional Experience to Qualifications (Staff) Procedure](#))

(64) The Executive Dean of the relevant College (or nominee) is responsible for approving teaching staff for all delivery of College content.

(65) The Site Coordinator coordinates timely approval of new partner teaching staff and ensures that approved CVs are lodged with People and Culture (P&C) and TNE Partnerships upon approval.

Teaching staff induction

(66) The Site Coordinator, with advice from the partner Course Chair, is responsible for ensuring a briefing is provided for VU teaching staff who will undertake teaching or knowledge transfer with a partner institution.

(67) The briefings include information on:

a. relationship between VU and the partner institution;
b. teaching arrangements in the partner institution;
c. travel arrangements, if required;
d. communication protocols.

(68) TNE Partnerships supports partner staff via a dedicated Partner Staff Resource Portal on VU Collaborate that facilitates onboarding and the ongoing development of partner teaching staff including:

a. Library services and digital resources;
b. Student Support services;
c. Academic Integrity modules.

(69) The Director, Teaching and Learning, TNE Partnerships is responsible for maintaining and providing all Partner teaching staff access to the Partner Staff Resource Portal.

Learning and teaching information

(70) The Site Coordinator, in collaboration with the Unit Coordinator, is responsible for ensuring that the Partner teaching staff are provided with sufficient information to deliver a unit of study or components of it.

(71) Requirements for achieving equivalence in learning outcomes:

a. course structure;
b. course learning outcomes;
c. course-relevant information for students;
d. marking rubrics;
e. marking standard and moderation process;
f. specific requirements in teaching a unit, e.g. the use of specific software;
g. Learning and Teaching Quality and Standards Policy and Procedures;
h. Assessment for Learning Policy and Procedures;
i. Academic Integrity Policy and Guidelines.

(72) The following will also be provided to support delivery:

a. teaching material and assessment tasks;

b. pedagogical advice in delivering the particular unit, including teaching students for whom English may not be the first language;

c. advice on approaches to internationalisation;

d. learning and teaching resources available through VU Collaborate.

Ongoing academic support for partner teaching staff

(73) Ongoing staff support will be facilitated through:

a. peer to peer interactions with VU colleagues through site visits and/or use of technology;

b. guidance from Unit Convenors regarding VU curriculum design, teaching materials and preparation and moderation of assessment;

c. opportunities to participate in curriculum design;

d. opportunities to contribute to customisation and internationalisation of the curriculum;

e. opportunities for participation in research activities, including supervision of research projects.

Part G - Monitoring and Ending Third-Party Arrangements

(74) Third party delivery is monitored on an annual basis. The details of the three kinds of reviews conducted (Academic Quality Review, Comprehensive Course Review and Strategic Review) are contained in the [Third Party Arrangements - Review of TNE and Third Party Arrangements (HE) Procedure](#).

(75) If a course is discontinued, effective teach out or transition plans for all enrolled students must be developed to ensure that these students are not disadvantaged.

(76) The cessation of a course will be conducted in accordance with the [Courses Lifecycle - Course Cessation and Student Transition (HE) Procedure](#). The Academic Board will provide endorsement of the Teach Out Plan.

(77) Cessation of a course delivery off-shore will be reported to TEQSA via the Provider Portal within the timeframe prescribed in legislation.

Section 5 - HESF/ASQA/ESOS Alignment

(78) HESF: Standards 1.3 Orientation and Progression; 3.1 Course Design; 5.2 Academic and Research Integrity; 5.4 Delivery with Other Partners.

(79) National Code of Practice for Providers of Education and Training to Overseas Students 2018

(80) Tertiary Education and Quality Standards Act 2011, Part 3A.
