Part B - General

(14) Victoria University (VU) is a self-accrediting higher education provider. This means that VU is responsible for:

- a. interpreting the requirements of the [Higher Education Standards Framework \(Threshold Standards\) 2021 \(Cth\)](#) (HESF), and;
- b. judging whether these will be appropriately applied and met throughout the development, approval, delivery and discontinuance of an Award course.

(15) In exercising this authority, VU is also responsible for ensuring that compliance across all the HESF is sustained throughout all HE operations.

(16) For HE Award courses, VU meets these requirements through a rigorous Award course accreditation and re-accreditation process.

Part C - Before Accreditation

(17) Prior to Award course accreditation, a Course Proposal and Business Case must be prepared for all proposed new HE Award courses or new majors (Refer to [Courses Lifecycle - Concept Proposal and Business Case \(HE\) Procedure](#)).

(18) Award course development cannot commence until the Course Proposal and Business Case is endorsed as prescribed in that Procedure.

Part D - Accrediting a New HE Award Course

- d. Course structure, including course completion rules.
- e. Description, structure and completion rules for majors and minors.
- f. Work-Integrated Learning components.
- g. Relationship to the VU Graduate Capabilities.

(22) Where an Award course will be offered to international students, CRICOS details must also be included (Refer to [Courses Lifecycle - CRICOS Registration and Management Procedure \[pending\]](#)).

(32) Where new units are proposed outside of the context of a new Award course, they will be attached to a course undergoing a Major Amendment process (this could constitute the major amendment itself).

Part H - Re-accrediting an HE Award Course

(33) HE Award Courses must be submitted for re-accreditation following the completion of a Comprehensive Course Review (CCR) process (refer to [Courses Lifecycle - Comprehensive Course Review \(HE\) Procedure](#)).

(34) When an HE Award course is submitted for re-accreditation, the outcomes of the CCR must be included in the documentation.
