 - i. Please note that occasional direct contact with a person under 18 years that is incidental to the volunteer work is not considered child-related work for the purposes of the [Worker Screening Act 2020 \(Vic\)](#) and does not require a WWCC.
 - b. A Police Check where the Supervisor determines it is required for the particular role.
- (13) It is the responsibility of operational areas sponsoring non-academic activities to inform students of any requirements for satisfactory police and/or working with children check for participating in such activities.

- (23) Volunteers will be provided with adequate information, induction, training, support, supervision and resources to undertake their designated tasks by the Supervisor.
- (24) Volunteers will be reimbursed for agreed out of pocket expenses. Expenses, including, if relevant, a ceiling amount, must be agreed in advance with the Supervisor.
- (25) Volunteer work must take place within a framework that complies with the University's [Health and Safety Policy](#) and [Risk Management Policy](#).

(26) The Supervisor will ensure that:

- a. All volunteer work takes place in a safe environment;

- c. All risk management procedures are adhered to.

(27) If injury/illness occurs as a result of a volunteer activity organised by Victoria University, the Supervisor must complete an incident report online via [QuickSafe](#).

(28) If injury/illness occurs as a result of a volunteer activity organised by Victoria University's external partnered organisation, the Supervisor must assist the Volunteer Coordinator to complete an incident report online via [QuickSafe](#).

(29) Where a volunteer has access to confidential material as part of their work, they will be asked to abide by the [Privacy Policy](#) and sign a Confidentiality Agreement as part of their Volunteer Agreement.

(30) Any grievances either raised by a Volunteer, or against a Volunteer, which cannot be dealt with by the Supervisor, must be escalated to the Volunteer Coordinator and will be dealt with according to the [Complaints Policy](#) and [Complaints Procedure \(Student and Public\)](#), or, if relevant, the [Student Misconduct Regulations 2019](#) and [Student Misconduct Procedure](#).

(31) VU may terminate a Volunteer opportunity or engagement of an individual volunteer, at its discretion and/or if a volunteer fails to comply with this Policy or other related policies or legislation.

(32) The Volunteer Coordinator will ensure that Volunteer contributions are recorded and recognised. Recognition and rewards are not a substitute for wages but are intended to express thanks and respect for the work of Volunteers.

(33) Student Life will provide all volunteers with a written statement of their participation in Student Life activities as a volunteer on request.

(34) Student Volunteers are covered by the University's Public Liability and Personal Accident insurance policies for volunteering activities organised by, approved by or under the direction of VU.

(35) Intentional, wilful or illegal acts on the part of a Volunteer that cause damage are excluded from Public Liability insurance cover.

(36) Other exclusions may apply to insurance coverage. The Volunteer Coordinator will obtain advice from the University's Insurance Manager as appropriate regarding coverage of particular activities.

(37) Where students undertake volunteer work for an external organisation under the auspices of a VU program, or advertised via VU tools such as the [Vollies program](#) or Student Hub, the relevant VU staff members will take reasonable steps to determine that:

- a. The organisation fulfils the above conditions in relation to volunteer recruitment, management, health and safety before involving VU students; and
- b. The opportunity is a genuine volunteer arrangement and not simply unpaid work.

(38) External volunteering bodies may advertise volunteering opportunities to VU students only with prior approval from VU staff. VU reserves the right to refuse to advertise opportunities that do not fulfil the above conditions.

(39) Where volunteer placements involve financially onerous obligations, such as prohibitive transport costs, etc, students are advised to make their own enquiries in order to decide if this type of placement is suitable for them.

(40) The Volunteer Coordinator and/or VU Careers Hub can advise staff and students on the suitability of opportunities.
