Appealable decisions

(4) A student or other eligible person can only appeal an adverse University decision and related sanctions imposed under the following regulations, policies or procedures:

- a. the [Student Misconduct Regulations 2019](#) and associated procedure/s;
- b. [Exclusion for Safety Reasons Regulations 2019](#);
- c. the [Student Complaints Policy](#) and [Student Complaints Procedure](#);
- d. [Academic Progress Regulations 2016](#) and procedures; or
- e. external legislation for which the University is required to provide an appeal process.

Grounds for appeal

(5) There are only four grounds upon which a decision may be appealed:

- a. The existence of new relevant material of a significant nature, being relevant material that was not reasonably available to the student or eligible person prior to the original decision being made and which is inherently different from material that was available;
- b. There was a misapplication of procedure resulting in some real disadvantage to the student or eligible person that was the subject of the decision;
- c. The decision was manifestly wrong or the sanction was manifestly excessive; or
- d. There was a bias or a conflict of interest on the part of the original decision maker or decision makers.

Lodgement of notice of appeal

(6) An appeal can only be lodged after a University decision emanating from a review or investigation under the relevant regulations or policies (refer clause 4) has been issued.

(7) If a student or eligible person feels that they have one or more grounds (clause 5) to lodge an appeal against a University decision they should download and complete the [Notice of Appeal Form](#).

(8) Students should consult with Student Advocacy before deciding to appeal a decision. Referring to the [Guidance Notices for Appealing a University Decision](#) is also recommended.

(9) The notice of appeal must be lodged within 20 University business days of the date of the University decision. Late appeals will not be accepted.

(10) The notice of appeal must be lodged on the prescribed form with the Director, Governance and Secretariat via post or email:

- a. Director, Governance and Secretariat, PO Box 14428, Melbourne 8001; or
- b. gov.sec@vu.edu.au.

(11) Students or other eligible persons should ensure that the completed [Notice of Appeal Form](#) and all requisite attachments as outlined in the [Guidance Notices for Appealing a University Decision](#) are submitted. Incomplete documentation will invalidate the appeal.

(12) The Appeals Secretariat will confirm receipt of the completed Notice of Appeal with the student and will initiate the appeals process within 5 University business days.

Part C - Consideration of the Appeal

The Two Tiered Appeals Process

(13) The University has a two tiered process for consideration of all appeals lodged with the Governance and Secretariat. The first stage will involve a Panel Chair considering the appeal documentation. Only if the Panel Chair finds merit in the appeal, will it be progressed to a Panel Hearing (Tier 2).

Tier 1 - Panel Chair Consideration

Appointment of the Chair

(14) The Appeals Secretariat will appoint a Panel Chair from a pool of Chairs as delegated by the Vice-Chancellor.

Deliberation by the Panel Chair

(15) The Appeal Panel Chair is required to consider the notice of appeal and any relevant documents provided by the Appeals Secretariat. This will include:

- a. the student or eligible person's notice of appeal;
- b. any accompanying support material; and
- c. any relevant and available information from the original decision maker that details the process that was followed and how the original decision was reached.

(16) If the Chair of the Appeal Panel determines that:

- a. the appeal lacks merit, they may dismiss the appeal without a hearing;
- b. a clear error or deficiency has occurred, the Chair may remit the matter back to the original decision maker/s for reconsideration, with guidance how to remedy the error or procedural deficiency;
- c. the appeal has merit, refer the appeal to a Panel for hearing (Tier 2).

(17) If the Chair of the Appeal Panel does not dismiss the appeal, the Appeals Secretariat will convene an Appeal Panel.

(18) If the appeal is dismissed, the Appeals Secretariat will notify the student or eligible person within 5 University business days of the decision being made and provide information about avenues for external reviews. Student visa holders will also be provided information about the need to advise Student Administration and, where applicable, the Dean, Graduate Research should they intend to lodge an external complaint.

Interim Directions of the Panel Chair

(19) Having regard to the need for fairness to both the University and the student or eligible person, the Chair may make any of the following interim directions before the Appeal Panel meets to consider the Appeal:

- a. suspend the implementation of the decision that is the subject of the appeal;
- b. temporarily withdraw permission for the student to participate in a University activity or use or enter all or particular University premises or facilities where they consider it necessary for the maintenance of good order;
or
- c. make any other direction that may be reasonable in all the circumstances.

(20) The student's enrolment must be maintained pending the completion of the process outlined in the [Student Appeals Regulations 2019](#) and this Procedure, except in instances as outlined in clause 21.

(21) The temporary removal of a student pending the outcome of an Appeal should only be applied in circumstances where it is necessary for the maintenance of good order (for example where the student's behaviour is perceived as a threat to the safety of people or property).

(25) Any allegation that a conflict of interest relating to any member of the Panel exists, will be considered by the Chair of the Appeal Panel. If the allegation relates to the Chair, it will be considered by the other two members of the Appeal Panel. If a conflict of interest is established, the relevant Panel member will stand down from the Panel and be replaced using the mechanism in clause 23.

Appeal Hearing

(26) The Appeals Secretariat will schedule a hearing of the Appeal Panel, and will be responsible for distributing all available relevant documentation to the Appeal Panel and student.
