 - i. All parties to a complaint will be treated fairly, and in a manner that respects their right to an unbiased, timely and transparent process.
 - ii. The decision-maker will not be biased or appear to be biased nor have a personal interest in the matter of the complaint.
 - iii. Matters that are not relevant will not be taken into account by the decision-maker.
 - iv. All parties have the right to be heard before decision is made, including the right to respond to statements or evidence that are relied upon in reaching a determination.
 - v. Where the complaint concerns the actions of an individual or individuals, respondents have the right to be informed of the allegations and the right to respond.
- b. Confidentiality: All complaints will be treated with appropriate confidentiality. Unless the law requires otherwise, only people involved in the complaint will have access to the information about it. However, aggregated and de-identified data can be used to support the University's monitoring, reporting and continuous improvement processes with respect to client services.
- c. Proximity: Every reasonable effort will be made by the parties to the complaint and the decision-maker to resolve the complaint at the level closest to the parties.
- d. Continuous improvement: VU will make a record of, and follow up on, the causes of the complaint, and put in place suitable remediations to mitigate against a recurrence.
- e. Timeliness: All complaints processes will be resolved within 60 days, or, if this is not possible, the complainant must be notified in writing of:
 - i. the delay; and
 - ii. the expected completion or resolution time.
- f. Recordkeeping: A record will be kept of all complaints and their resolution.

Part B - Local Level Resolution

(9) If a member of the public wishes to raise an issue, they may do so by:

- a. Giving feedback to the relevant VU staff member either directly or at a VUHQ (Student Services Centre).

(10) The Staff member or Student Services Centre will endeavour to resolve the matter in the first instance. If this is not possible or becomes inappropriate, they will refer the matter to the appropriate part of the University for response or local level resolution.

Part C - University-managed Resolution (Complaint)

(11) If the matter cannot be resolved at a local level, the member of the public may lodge a complaint, they may make their complaint through the Integrity Office using the University [online complaint form](#).

(12) Members of the public unable to use the online complaint form may contact the Integrity Office or Student Services Centre for assistance to provide a hard copy form. They may lodge the form at integrity.office@vu.edu.au or submit via a Student Services Centre in a sealed envelope addressed to: Integrity Office, Footscray Park Campus, Victoria University, PO Box 14428, Melbourne, VIC, 8001.

(13) The Integrity Office will refer the matter for review to the appropriate senior staff member.

(14) Where a complaint involves a staff member's conduct, the appropriate senior staff member may refer the complaint to People and Culture who may address the matter as a personnel issue.

(15) Acknowledgement in writing will be sent to complainants to their nominated mailing or email address within 15 University business days.

(16) The University process for addressing complaints made by a member of the public will be concluded within 60 days. If this is not possible, the University will inform the complainant of the reason for the delay, and the expected timeframe for completion.
