Roles	Responsibilities
Mandatory Reporter	Ensure compliance with their mandatory duties to report. Refer Appendix 2 - Child Safety Reporting Guidelines – Section 4 for further information.

Part B - Child Safety - Staff Duty of Care

(7) All staff at VU have a duty of care to take reasonable steps to protect Children and Young People under their supervision from Child Abuse or Harm that is Reasonably Foreseeable. This includes:

- Reading, understanding and complying with the [Safety and Welfare of Children and Young People - Staff Code of Conduct](#) so as to indicate their commitment to the principles of child safety;
- Considering, and taking steps to mitigate, specific risks that may be posed to children or young people in any proposed Activities; and
- Taking the actions outlined in [Appendix 1 - Child Safety Reporting Process](#) if they reasonably believe a child or young person needs protection from child abuse or harm.

Part C - Child Safety - Reporting Obligations

(8) The VU community has legal obligations to report suspected child sexual abuse.

(9) All Adults in Victoria who have a reasonable belief that an Adult has committed a sexual offence against a child under 16 years of age have an obligation to report that information to the police.

(10) Any person in a Position of Authority at VU commits an offence if they:

- Know of a substantial risk of sexual abuse of a child under 16 years of age under the care or supervision of VU,
- By an Adult associated with VU, and
- Have the power or responsibility to reduce or remove the risk, but
- Negligently fail to do so.

(11) Anyone at VU who is a Mandatory Reporter must comply with their mandatory duties to report. Refer to [Appendix 2 - Child Safety Reporting Guidelines](#) – Section 4 for further information.

Reportable Conduct Scheme

(12) On receiving an allegation or suspicion of Child Abuse or Harm or concerns for the safety and wellbeing of a Young Person through the Child Safety Reporting process, the Accountable Person must, in consultation with the Office of the General Counsel and Safer Community, immediately assess whether it is a Reportable Allegation.

(13) Where a Reportable Allegation is identified, the Accountable Person must:

- If the allegation involves suspected criminal conduct, notify Victoria Police immediately.
- Notify the Commission of Children and Young People (CCYP) within three (3) business days.
- As soon as practicable commence an investigation and notify CCYP of who will conduct the investigation. [The investigation may be conducted by the organisation, their regulator or an independent investigator.]
- Give CCYP further, detailed information about the Reportable Allegation within 30 days of the report of the incident including information about proposed disciplinary or other action to be taken in response to the allegation and any written submissions made by the Staff member about that disciplinary or other action.
- After the investigation has concluded, give the CCYP:
 - A copy of the investigation findings and reasons; and

- ii. Details of proposed disciplinary or other action to be taken in relation to the Staff member and the reasons for the action; and
- iii. Where a decision has been made not to take any disciplinary or other action in relation to the Staff member, the reasons why no action will be taken.

Part D - Managing Risks to Child Safety and Wellbeing

(14) The Responsible Person must ensure that all Activities involving Children and Young People, whether on-campus, off-campus or online, are undertaken in accordance with the [Safety and Welfare of Children and Young People Policy](#), this Procedure, the [Safety and Welfare of Children and Young People - Staff Code of Conduct](#) and all other applicable [policies and procedures](#).

(15) When planning Activities, the specific risks of harm to Children and Young People must be considered and addressed. This is in addition to the general health and safety risk assessment that forms part of the planning for any Activity..

(16) Child safety risk assessment is based on a range of factors, including the nature of the Activities, the planned environment, and the staffing profile. When considering risk, Responsible Persons should also factor in the characteristics and needs of particular Young People and communities involved, including Young People of Aboriginal heritage, culturally and/or linguistically diverse backgrounds, diverse genders and sexualities, and Young People with a disability.

(17) All Activities involve standard ('business as usual') risks. Specific Activities such as excursions and overnight trips may also pose additional risks.

(18) It is expected that those organisational units which frequently conduct Activities with children will have in place their own detailed risk management processes to safeguard children, relevant to their particular activities. It is the responsibility of the relevant leader of the organisational unit to ensure that:

- a. such processes are in place;
- b. processes are in conformity with this Procedure and the University's overall [Risk Management Policy](#) and [Risk Management Procedure](#).

(19) All child safety critical incidents and allegations of reportable conduct must be recorded in the University's central Risk Register.

Part E - Participation and Empowerment of Children

(20) In planning and conducting Activities involving Children and Young People, the Responsible Person must ensure that:

- a. Participation is designed to be:
 - i. Ethical
 - ii. Age appropriate;
 - iii. Culturally respectful;
 - iv. Inclusive of a diverse range of Children and Young People, demonstrating respect for Young People of all ages, abilities, social and cultural backgrounds;
 - v. Positive and enjoyable;
 - vi. Voluntary and with informed consent.
- b. Opportunities are made available for Children and Young People to provide feedback and express their views

and concerns.

- c. The Adults involved in the Activity are skillful in facilitating the participation of Children and Young People.

Part F - Recruitment and Selection

(21) VU's Recruitment processes, as outlined in the [Recruitment and Selection Procedure](#) and any related Guidelines, are designed to ensure:

- a. Staff recruited to roles where they will, or may, work with Children and Young People are appropriately vetted, qualified and equipped to do so safely and with regard to the wellbeing of Children and Young People;
- b. Records are made and kept of completed Working with Children Check (WWCC) clearances for all relevant staff.

(22) The Leader of the Organisational Unit must ensure that all Staff involved in an Activity, who come into direct contact with Young People (other than in the ordinary delivery of higher education by VU), have a valid and current Working with Children Check (WWCC).

(23) The [Recruitment and Selection Procedure](#) identifies a number of categories of Staff who require a WWCC. In addition to Staff working in these categories, other specific additional roles may require a WWCC. If it is identified that a new or existing role requires a WWCC, this will be communicated and enforced.

Part G - Training and Induction of Staff

(24) All VU staff are required to read and understand the [Safety and Welfare of Children and Young People - Staff Code of Conduct](#) as part of their onboarding with the organisation.

(25) All VU staff who are appointed to roles where they will, or may, work with Children and Young People must undertake induction training relating to their duty of care for Children and Young People.

Part H - Work Integrated Learning/Practical Placements

(26) The Responsible Persons for work integrated learning activities (see [Work Integrated Learning Procedure \(HE\)](#) or VET practical placements (see [Work Integrated Learning - Practical Placement Procedure \(VET\)](#)) for Students that involve contact with Young People must ensure that:

- a. Students comply with the [Safety and Welfare of Children and Young People Policy](#) and this Procedure; and
- b. Students are provided with appropriate information on requirements such as Working with Children Checks and legal obligations to report on Child Abuse or Harm.

(27) Where the Students taking part in work integrated learning activities or VET practical placements are under 18 years of age, the Responsible Persons must ensure that:

- a. The work integrated learning partner or practical placement partner has policies and procedures relating to child safety that meet the [Victorian Child Safe Standards \(Vic\)](#) or equivalent and are at least as rigorous as VU's policy and procedures; or
- b. If the work integrated learning partner or practical placement partner's policies and procedures are deemed to be incomplete or insufficient, VU's policy and procedures are accepted by the partner as applicable to the student's placement.

Part I - Research Activities Involving Children

(28) The Responsible Person for Activities which comprise research involving interactions with Young People must

ensure that:

- a. the Activities are conducted in accordance with the [Safety and Welfare of Children and Young People Policy](#) and this Procedure;
- b. the Activities comply with the Australian Code for the Responsible Conduct of Research (2018), [National Statement on Ethical Conduct in Human Research 2023](#) and any VU Human Research Ethics Committee (VUHREC) directions provided as part of the ethics approval.

Part J - Administrative Matters

Students

(29) The person responsible for an Activity must ensure that the permission of a parent or guardian is obtained for each Student aged 16 years and under to participate in Activities such as field trips, work integrated learning activities, work experience, sporting activities and student society camps.

Non-enrolled Persons

(30) The Responsible Person for Activities involving Young People who are not Students (for example, where a school or other body is involved in the Activity) must be reasonably satisfied that those Young People's participation in the Activity has been appropriately authorised.

(31) The Responsible Person for Activities where groups of Young People are brought to VU as part of a school group, must ensure that the school provides adequate teaching or other staff to supervise the group, and that the school remains the responsible organisation for those Young People during the Activity. The school must ensure that required parental consents are obtained.

Privacy

(32) The VU [Privacy Policy](#) and [Privacy Procedure](#) applies in relation to all Students' personal information regardless of their age.

Record Keeping

(33) All incidents recorded through the Child Safety Reporting process must be maintained in accordance with the [Privacy Policy](#) and [Privacy Procedure](#) and [Records Management Policy](#) and associated procedures.

(34) Records must be retained and managed in compliance with the Public Record Office Victoria Retention & Disposal Authority: PROS 19/08 (Organisational Response to Child Sexual Abuse Incidents and Allegations).

Section 5 - HESF/ASQA/ESOS ALIGNMENT

(35) HESF: Standards 2.3 Wellbeing and Safety (2.3.3 & 2.3.4); 6.1.4 Corporate Governance

(36) Outcome Standards for NVR Registered Training Organisations 2025: Standard 2.6 Wellbeing; 4.3 Risk Management. Compliance Standards for NVR Registered Training Organisations and FPP Requirements 2025: 20 Compliance with Laws.

(37) [National Code of Practice for Providers of Education and Training to Overseas Students 2018 \(Cth\)](#), Standard 5 (Younger Overseas Students).

(38) This Procedure aligns with the [Victoria Government's Guidance Notes on Child Safe Standards for TAFEs and](#)

(39) VRQA Minimum Standards for registration as a non-school senior secondary provider (VCE and VCAL programs)
