(13) At the end of each week, an attendance percentage will be auto-calculated by the attendance monitoring system for each International Student undertaking Foundations Courses. This percentage is cumulative for the current study period.

(14) Where a student is absent for 5 consecutive days without prior notice or approval and cannot be contacted via their Emergency Contact or their International Agent, the General Manager, VU English must be notified and will proceed as per the [Critical Incident, Emergency Planning and Business Continuity Policy](#).

This email will outline options for counselling and support at VU.

(17) If attendance falls below 85% for a study period, a second email of warning will be issued through the student's official VU email address. An appointment will be made with a Foundation Senior Educator to discuss attendance requirements, potential consequences of continued unsatisfactory attendance and support required to achieve satisfactory attendance.

(18) If attendance falls below 80% for a study period, a third and final email will be sent through the student's official VU email address informing the student of VU's intention to report their non-attendance.

(19) The third and final email must refer to the student by name, and inform them:

- a. They have failed to meet the minimum attendance requirements established under this Procedure;

(20) Documentation of all warnings (first, second and third) must be kept on the student's file.

(21) If a student appeals VU's decision to report them to the relevant Australian Government department, there will be a review of the matter in the first instance by the General Manager, VU English.

(22) The matter will then proceed according to VU's appeals process outlined in the [Student Appeals Regulations 2019](#) and [Student Appeals Procedure](#). Decisions to report students for non-attendance are considered to be statutory decisions for the purposes of the [Student Appeals Regulations 2019](#).

(23) The student's enrolment must be maintained for the duration of the appeal.

Part E - Support for Students

(24) In the warning emails, students are to be advised of the VU support services available to them, such as access to VU's Student Services who are available to provide academic support, information, counselling, referral to health services and explanation of International Student obligations as visa holders.

Part F - Government Reporting

(25) If the student's appeal of VU's decision to report them to the relevant Australian Government Department is dismissed by VU, on the basis that the student has not met the attendance requirements established in this Procedure and not provided reasonable evidence of compassionate or compelling excuse, VU will report the matter to the relevant Australian Government Department through the Provider Registration and International Student Management System (PRISMS).
