Part B - General Requirements

(10) Before a visa can be issued to an international student under the age of 18, the Australian Government requires that there be appropriate accommodation and welfare arrangements made for the time the student is in Australia. All students must register their accommodation and welfare arrangements with the university before they accept their offer of a place.

(11) Students may arrange welfare and accommodation while in Australia either with:

- a. A parent: Students may arrange to stay with a parent while in Australia. The parent will require a short-stay visa (if the student will be turning 18 within 3 months of arriving in Australia) or Student Guardian visa. VU will supply the CoE, and a CAAW letter is not required.
- b. A guardian approved by the [Department of Home Affairs](#): Students may arrange a guardian, who must be over the age of 21, of good character, and holding or applying for a visa that allows them to stay in Australia until the student is over the age of 18. A guardian may be a spouse, a sibling, a step-parent, grandparent, aunt, uncle, niece, nephew (note: [Department of Home Affairs](#) applies some restrictions on who may qualify as a guardian). Students who choose this option also do not require a CAAW letter.
- c. A third-party provider nominated by Victoria University: Victoria University may take on responsibility for approving arrangements for the student's welfare and accommodation until the student turns 18, for a time period of sufficient length to cover arrangements for the student to leave Australia, or make other appropriate arrangements. A CAAW letter is provided to [Department of Home Affairs](#) by VU and the student is provided with

their COE for the purpose of applying for a visa.

Part C - Guardianship for International Students Under 18

(12) Students without an appropriate guardian in Australia will need to:

- a. Apply for appropriate accommodation and welfare arrangements to be approved by Victoria University.
- b. Complete a VU form to receive a CAAW letter. Students will need a passport, a copy of parents' ID, and a copy of the COE letter to apply for the CAAW letter.

(13) VU will nominate in the CAAW the start and end date of when they accept welfare responsibility for the student. The minimum length of welfare responsibility is the term of the CoE plus 7 days, or until the student turns 18 plus 7 days, whichever is the later date.

Part D - Welfare and Accommodation for International Students Under 18

(14) International students under 18 must make arrangements via VU's nominated third party service provider/s to be provided with welfare supervision and access to homestay or other accommodation.

(15) The student or their family enters into an agreement with the third-party provider to provide welfare and accommodation services for the student while they are in Australia.

(16) The third party provider appoints a "Welfare Supervisor" to assist and monitor each Student.

(17) The Welfare Supervisors are suitable people who:

- a. are at least 21 years of age;
- b. have a valid police clearance and Working With Children Check;
- c. have or agree to undergo a Working With Children Check every five years as required by the Laws of the State of Victoria;
- d. speak the same first language as that of the Student Participant (where deemed necessary by the provider).

(18) Students under 18 years of age are required to live under the supervision of an adult of good character and this is usually in a 'Homestay' with a "Homestay Host".

(19) The Homestay Host is generally arranged through a "Homestay Agency" which ensures the character and suitability of the Homestay Host to provide the care and support required for the Student.

(20) Where the Homestay is not engaged via an Agency (e.g. a family relative), the third party provider will ensure the Homestay meets all requirements as if it were a Homestay Agency and will ensure supporting documentation is completed.

Part E - Support for International Students Under 18

(21) Third party providers are contracted to provide a range of supports for international students for whom they provide services, including:

- a. Regular contact (weekly upon arrival and then minimum fortnightly communication) with student whilst enrolled at VU;

- c. Supporting the Student Participant with any personal matters;
- d. Making contact with the Homestay Host to check on the student's welfare and assist with any settling-in issues; and
- e. Provide regular monitoring of the accommodation arrangements of international under 18 students, including being available for student issues arising.

(22) The University also provides:

- a. Information Services: These include but are not limited to:
 - i. pre-departure information

(23) International students under 18 have access to additional University support services in connection with issues arising with their accommodation.

Part F - Monitoring Welfare and Accommodation Arrangements

(24) All accommodation utilised by students aged under 18 where VU has issued a CAAW will be monitored by the third-party service provider in accordance with the contract of service.

(25) This monitoring process may involve:

- a. written check-ins with the student and the accommodation provider;
- b. phone check-ins with the student and the accommodation provider;
- c. face to face inspection of accommodation.

(26) If accommodation is found to be unsuitable, the student's parent/guardian must seek a register a new suitable

residency as soon as possible. The third-party service provider will provide assistance with sourcing emergency accommodation for transitional periods.

(27) Failure to seek new accommodation for a student whose current accommodation has been assessed as unsuitable will result in suspension of the student's enrolment until the matter can be rectified.

Part G - When Enrolment is Suspended or Cancelled

(28) When the enrolment of an international student aged under 18 is suspended or cancelled, the University via its third-party provider will continue to monitor the suitability of student's accommodation until:

- a. the student is accepted by another registered provider and that provider takes over responsibility for accommodation; or
- b. the student leaves Australia; or
- c. suitable alternative arrangements are made that satisfy the Migration Regulations; or
- d. the University reports to [Department of Home Affairs](#) that it no longer approves of the arrangements for the student.
