

# Courses Lifecycle - Managing the Register of Awards Procedure

## Section 1 - Summary

(1) This Procedure specifies the key approval stages and responsibilities involved in the management of the Victoria University (VU) [Register of Awards](#).

## Section 2 - Scope

(2) This Procedure applies to all academic Higher Education (HE) and Vocational Education and Training (VET) Awards.

(3) This Procedure ensures that VU maintains a register of all declared Awards in perpetuity. It includes all HE and VET Awards including those developed under the:

- a. Australian Qualifications Framework (AQF) since 1 January, 2000.
- b. Register of Australian Tertiary Education (RATE) established in 1991 by the Australian Education Council of the Ministers responsible for education in the Australian, state and territory governments. RATE awards were accredited by universities (as part of their self-accreditation status) and state accreditation bodies (for Technical and Further Education [TAFE] and Trade qualifications). Only Universities and TAFE colleges were able to deliver RATE awards which included Diplomas, Associate Diplomas, Advanced Certificates, Certificates and Apprenticeship Certificates. RATE nomenclature was phased out from 1995 and replaced by the AQF in 1999.

(4) This Procedure does not apply to non-academic Awards that are approved by Council ie. Honorary Awards.

## Section 3 - Policy/Regulation

(5) [Courses Lifecycle Policy](#)

## Section 4 - Procedures

(6) VU's [Register of Awards](#) is a perpetual record of all declared VU Awards since VU was established as a dual sector University. It includes awards declared under the:

- a. Victoria University Act 1990: Statute 6.1 - Academic Awards, Programs, Courses and Subjects.

- (7) The Vice-Chancellor declares all academic Awards to be offered by the University.
- (8) The Council may confer any academic Award as specified in the [Register of Awards](#).
- (9) Maintaining the VU [Register of Awards](#) ensures that:
- VU has a perpetual record of all declared academic Awards.
  - All declared Awards are listed in one document with a status of Active or Archived.
  - Graduates receive Award documentation that has consistent and accurate VU Award information.
  - VU Awards are clearly distinguishable from VU Non-Awards.
  - Graduates are able to be re-issued with an Award (if required).
- (10) The [Register of Awards](#) has three distinct sections: Active, Archive and Dual/Joint (which includes all information on status of these awards).
- (11) Academic Quality and Standards (AQS) maintains a Register of Awards Masterfile which underpins the maintenance of the [Register of Awards](#). This document is continually updated and includes historical information on each academic Award and its relationship to specific Award Courses.
