## Part A - What is Sexual Harassment?

(20) Sexual harassment is unwelcome behaviour of a sexual nature that makes a person feel offended, humiliated or intimidated, and which a reasonable person, having regard to all the circumstances, would have anticipated as likely to cause offence, humiliate or intimidate.

(21) Sexual harassment also includes conduct that creates a sexually hostile working environment. Such conduct (e.g. displaying pornographic materials in the workplace) is equally unlawful.

(22) The laws relating to sexual harassment apply equally to women and men.

(23) A person does not need to offend, humiliate or intimidate to sexually harass another person.

(24) Sexual harassment consists of both physical and non-physical behaviours. Examples include:

- a. Physical:
  - i. Physical contact, such as pinching, touching, grabbing, kissing or hugging.
- b. Non-physical:
  - i. Staring or leering at a person or at parts of their body.
  - ii. Persistent requests to go on dates that are refused.
  - iii. Suggestive comments about a person's body or appearance.
  - iv. Sexual jokes or comments, sexually explicit conversations.
  - v. Displays of offensive material such as posters, screen savers, internet material etc.
  - vi. Accessing or downloading sexually explicit or inappropriate material from the Internet.
  - vii. Sending rude or offensive emails, attachments or text messages (including pictures of body parts).
  - viii. Advances on email, social networking websites, internet chat rooms or other electronic mediums.
  - ix. Intrusive questions about a person's private life or physical appearance.

- x. Sexually explicit gifts e.g. 'Kris Kringle' gifts.

(25) Sexual harassment is unwelcome behaviour. Accordingly, behaviour which is based on mutual attraction, flirtation or friendship, or which is mutual, consensual, welcome or reciprocated, is not sexual harassment.

## **Part B - Victimisation**

(26) Victimisation is unlawful and will not be tolerated at VU.

(27) Every member of the VU community is encouraged to raise concerns about workplace behaviour that potentially constitute sexual harassment. No one will be treated less favourably because they have made a complaint.

(28) If you become aware of a complaint:

- a. You must not retaliate or treat detrimentally other employees who raise genuine complaints of unacceptable behaviour under this Policy or another policy.

(29) If you have raised a complaint and are concerned about how you were treated after making your complaint, you are encouraged to raise your concerns in accordance with the complaint procedure relevant to this Policy.

(30) Examples of victimisation might include:

- a. Excluding or isolating a person because they have lodged a complaint.
- b. Failing to promote a person because they have lodged a complaint.

## **Part C - Breaches of this Policy**

(31) VU treats all disclosures and complaints of sexual harassment seriously.

(32) In addressing complaints of sexual harassment:

- a. VU will exercise procedural fairness. Those involved in the process will not be biased or affected by conflict of interest, and will act fairly and impartially.
- b. Confidentiality will be maintained wherever possible in the handling of complaints.

## **Part D - Disclosures and Complaints**

(33) Disclosures may arise anywhere and at any time within VU.

(34) If someone makes a disclosure of sexual harassment to you, you must, to the best of your ability and in accordance with the wishes of the discloser:

- a. assist the discloser to access and understand University [policies and procedures](#);
- b. advise the discloser of counselling and support services available;
- c. refer the discloser to the relevant area for help and advice:
  - i. People & Culture (staff); and
  - ii. Safer Community Unit (students).

(35) A disclosure is not a Complaint and is not investigated as one. A person who makes a disclosure may or may not proceed to make a Complaint.

(36) Complaints are made, investigated and determined following the processes outlined in the [Staff Complaints](#)

## **Disclosures by witnesses or people who have heard of sexual harassment**

(37) If you have witnessed sexual harassment or possible sexual harassment, or have heard reports from others that sexual harassment may have taken place, you should discuss your concern with the relevant area as detailed in Clause 31(c).

(38) Your discussion will be treated with the same degree of confidentiality as a disclosure from an individual who has been sexually harassed would be.

## **Mandatory and other Reporting**

(39) In all cases where a child is involved, the University is mindful of the mandatory reporting obligations under section 327 of the [Crimes Act 1958 \(Vic\)](#), the [Child Wellbeing and Safety Act 2005 \(Vic\)](#) and Part 4.4 of the [Children, Youth and Families Act 2005 \(Vic\)](#), and those of other legislative schema such as the National Law under the [Health Practitioners Regulation National Law Act 2009](#).

## **If you have been sexually harassed**

(40) If you experience sexual harassment at VU, you are strongly encouraged to disclose the matter. You may choose to:

- a. Disclose the matter to a member of staff or fellow student whom you trust.
- b. Disclose the matter with relevant area as detailed in Clause 31(c).

(41) After making a disclosure, you may choose to lodge a complaint.

(42) The processes for lodging a Complaint, and the methods through which matters are explored and resolved, are detailed in the [Staff Complaints Resolution Procedure](#).

## **If an allegation is made that you have sexually harassed someone**

(43) If an allegation is made against you, VU will follow the procedure as detailed in the [Staff Complaints Resolution Procedure](#).

(44) Disciplinary action will also be taken against anyone who retaliates against or victimises a person who has made a complaint.

## **After a Complaint is completed**

(45) After finalisation of any investigative or disciplinary, VU will continue to provide assistance and support measures as required to:

- a. protect the safety and welfare of all parties, and
- b. facilitate the recovery of any person who has been sexually harassed.
