of their principal course of study, except where any of the following apply:

- a. the releasing registered provider, or the course in which the international student is enrolled, has ceased to be registered;

Part C - Request to Transfer from VU to another Registered Education Provider

Situations when Transfer Requests are not required

(13) A transfer request is not required for an international student to change registered providers in the following circumstances:

- a. The international student has completed at least six calendar months from the commencement of their principal course of study at VU; or
- b. VU has ceased to be registered, or the course in which the student is enrolled has ceased to be registered; or
- c. VU has had a sanction imposed on it by the Australian Government or State or Territory Government that prevents the student from continuing their principal course.

(14) In all other circumstances a transfer request will be required.

What to do when a Transfer Request is required

How to Request a Transfer

(15) Information for Students on how to request a transfer is available at this website

The Grounds upon which a Transfer request will be granted

(16) VU will grant the transfer request when it is deemed to be in the best interests of the student, by meeting one or more of the following criteria:

- a. the international student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after completing VU's intervention strategy ([Academic Progress Regulations 2016](#), [Academic Progress - Academic Progress Procedure \(HE\)](#) and [Academic Progress - VET Overseas Student Progress Review Procedure](#)) to assist the international student in accordance with Standard 8 (Overseas student visa requirements); or,
- b. there is sufficient and verified evidence of compassionate or compelling circumstances; or,
- c. VU fails to deliver the course as outlined in the Letter of Offer; or,
- d. there is evidence that the international student's reasonable expectations about their current course are not

being met; or,

- e. there is evidence that the international student was misled by VU or an education or migration agent regarding VU or its course and the course is therefore unsuitable to their needs and/or study objectives; or,
- f. an appeal (internal or external) on another matter results in a decision or recommendation to release the international student; or,
- g. the international student has a government sponsor and the government sponsor considers the change to be in the best interests of the student and the government sponsor has provided written support for that change.

Evidence to be Provided with Transfer Requests

(17) All transfer requests must include the following attachments:

- a. Evidence of a valid Letter of Offer from a registered provider; and,
- b. Evidence to support claims made by the international student in the International Student Release Request form; and,
- c. Personal statement outlining the reason for release; and,
- d. If the student is sponsored, letter of approval from the sponsor; and,
- e. Evidence to support any claims that the client was misled regarding VU or the course the student is undertaking.

(18) Evidence to support claims for transfer requests may include documents from registered counsellors, psychologists or medical practitioners. All claims from medical practitioners need to include a statement that due to the illness, the student is medically unfit to continue their studies at VU and that a transfer to another provider is recommended and including the grounds for the recommendation.

Evidence to be assessed with Transfer Requests

(19) The evidence to be assessed with Transfer Requests:

- a. Evidence of a valid Letter of Offer from a registered provider; and
- b. Evidence to support claims made by the international student in the International Student Release Form, including (but not limited to):
 - i. Personal statement outlining the reason for release; or
 - ii. If the student is sponsored, letter of approval from the sponsor; or
 - iii. Evidence to support any claims that the client was misled regarding VU or the course the student is undertaking; or
 - iv. Evidence of completed Intervention meetings and student support activities.
- c. If required, conduct interview with responsible Regional Recruitment Manager for further insights.

Students Under Eighteen Years of Age

(20) If the international student is under 18 years of age:

- a. VU must have written confirmation the international student's parent or legal guardian supports the transfer.
- b. If the international student is not being cared for in Australia by a parent or suitable nominated relative, VU must confirm it accepts responsibility for approving the student's accommodation, support and general welfare arrangements in accordance with the [Safety and Welfare of Children and Young People - International Student Welfare Procedure](#) and the [National Code of Practice for Providers of Education and Training to Overseas Students 2018 \(Cth\)](#), Standard 5 (Younger Overseas Students).

Timeframe for Assessment

(21) Transfer requests will be assessed within ten VU business days of receipt.

Situations when VU may Refuse a Transfer Request

(22) VU may refuse a transfer request when the international student:

- a. has not completed required intervention meetings or followed up with offered VU support services in accordance with the relevant Progress procedure; or,
- b. has not commenced study in their VU enrolled course; or,
- c. has not accessed, utilised or experienced the full range of VU support services assigned to them; or,
- d. has applied for a course with another registered provider that has lower fees; or,
- e. has applied for a course with another registered provider in a different city; or,
- f. is attempting to avoid being reported to the Department of Home Affairs for failure to meet VU attendance or academic progress requirements; or
- g. is applying to transfer to a program or course with a lower level of qualification (in the case of packaged offers, this applies to any courses within that package), according to the Australian Qualifications Framework (AQF); or,
- h. has outstanding debts owed to VU, or,
- i. has made decisions post their enrolment regarding accommodation, travel and employment that are not aligned with the international student's course requirements; or,
- j. provides a new offer from a registered provider where the commencement date has passed, without written approval of late enrolment including a specific date; or,
- k. has provided information which is inconsistent or misleading when the student initially applied to VU or in their transfer request; or,
- l. will breach mandatory or discretionary student visa conditions, by transferring to another registered provider; or,
- m. is changing to a new study discipline which is offered by VU at the same or higher AQF level either as a standalone course or pathway to a course that is the same or higher AQF level; or,
- n. has only presented a conditional offer letter from the new provider (where the condition is other than the provision of a release letter from VU).

Enrolling and Attendance

(23) The submission of a release request form by an international student does not preclude the international student from enrolling in the VU course, and thus meeting visa conditions. VU will report students who do not enrol and maintain a full-time study load as this may have implications for a student's visa status.

(24) The submission of a release request by an international student does not preclude the international student from maintaining required course attendance, and thus meeting visa conditions.

Provider Registration International Students Management System

(25) The Enrolment Team will record all transfer requests in the Provider Registration International Students Management System (PRISMS).

Actions following Transfer Request decision

(26) VU Enrolment Officer will:

- a. Provide the international student with a successful outcome letter via email. Note that the release letter must advise the student to contact Department of Home Affairs to seek advice on whether a new student visa is required.
- b. Cancel/report the students CoE via PRISMS.
- c. Change the status of the international students CoE in the student management system.
- d. The student's release application, evidence and outcome are recorded on the international student's file by VU Enrolment Officers.

- d. Notes are entered into form ENRF3080: Maintain Student Course Attempt Notes on VU Connect; and,

Reviews and Appeals Process

(28) If a transfer request is refused, the student has the right to request a review of the decision made.

Review

(29) A student can request a review of a decision by completing the [Request A Review Of Decision To Transfer To Another Provider \(Release\) \(A20\) form](#) as per the instructions on the form.

(30) A review of the decision will be made by the Director, Student Administration.

(31) The Director, Student Administration will review the decision made and the student will be notified of the outcome within five VU business days.

(32) If an issue cannot be resolved by the Director, Student Administration or where a student is dissatisfied with the decision, they may lodge an appeal in accordance with the [Student Appeals Regulations 2019](#).

Appeals

(33) If the review outcome maintains the original decision and the student meets the prescribed grounds as set out in the [Student Appeals Regulations 2019](#) and the [Student Appeals Procedure](#), a student may lodge an appeal with the Director, Governance and Secretariat within 20 working days of the review decision.

Refusal Status in PRISMS

(34) The student's refusal status in PRISMS must not be finalised unless the appeal finds in favour of the registered provider; or the international student has chosen to not access the appeals process within the 20 university business

day period; or the international student withdraws from the process.

External Appeal

(35) Students or other eligible persons may seek an external review of a VU decision, including an appeal decision, from an appropriate, independent external body such as the Victorian Ombudsman.

(36) The student visa holder who wishes to make a complaint to an external body must provide evidence of the lodgement of their complaint to the Director, Student Administration within 20 VU business days from the date of the VU Appeal Panel decision.

(37) Students receiving a successful outcome letter, approving transfer to another institution, will have their enrolment cancelled by VU.

(38) Students with credit in their student fees account can apply for a refund of fees according to the [Fee Adjustments Procedure](#). Also see VU's website for further information:
<https://www.vu.edu.au/current-students/your-course/fees/refunds/international-refunds>.
