## Part B - Monitoring and Analysis of Student Progress, Results and Outcomes

(10) Student progress in all non-school foundation and senior secondary courses is monitored and reviewed at a minimum in the line with the [Academic Progress - VET Student Progress Review Procedure \(Domestic Students\)](#).

(11) At each fortnightly staff meeting student progress is reviewed, utilising information from the student progress reviews, attendance data and assessment outcomes.

(12) At the end of each academic cycle the VASS Administration Officer provides the following reports from VASS to the Education Manager and Senior Educator for review:

- a. Participation rates for the completing student group/s.
- b. Completion rates for the completing student group/s.
- c. Outcome data for completing students.

(13) The Education Manager and the Senior Educator meet annually to examine all available data including further education and training data available through On Track.

(14) Data is analysed to identify:

- a. patterns of underperformance and/or gain in subject areas;
- b. performance against 'like schools';
- c. improvements and/or reductions in performance against prior year/s data;
- d. actual versus planned student pathways.

## **Part C - Use and Reporting of Data**

(15) The Education Manager and Senior Educator discuss the data with subject teachers to support program improvements and/or professional development requirements.

(16) All actions arising from analysis of available data are documented in the department's Continuous Improvement Register.

(17) The Education Manager and Senior Educator regularly review the Continuous Improvement Register to monitor the implementation of required actions.

(18) The Education Manager reports actions and progress to the Executive Director.

(19) Using all available data sources, the Education Manager develops an annual report documenting participation and completion rates, and student outcome information.

(20) The Chief TAFE Officer/Executive Director approves the report for publication on VU's website by July 31 of each year.
