- (15) Where the Polytechnic receives notification of a request to transfer student records to another home school, the relevant VASS/VCE/VCAL Administration Officer contacts the student and the proposed home school to confirm the request. Once confirmed, the VASS/VCE/VCAL Administration Officer actions the request on VASS.

## **Part C - Enrolment and Course Documentation Records**

- (16) In addition to completing the standard Polytechnic enrolment form, all students complete the VCE and VCAL Student Personal Details form prior to course commencement and provide acceptable identification documentation (birth certificate, passport, proof of age card, driving licence or Medicare card).

Following any updates, the Full Student Details Report must be printed and signed by the student. The original endorsed form must be retained in the student file and a copy provided to the student.
- (22) All records entry and maintenance must comply with the VCAA's administrative dates and any relevant VCAA notifications.
- (23) A student file must be created for every enrolled student. A hard copy of all enrolment documentation is stored in the student's individual file. Student files are to be stored in a secure staff environment cabinet in the office. Access to student files is provided by the Team Leader to administrative and teaching staff as required.
