Roles	Responsibilities
Teacher	Identifies students at risk of making unsatisfactory progress and notifies students of this status Provides academic assistance and advice to students
Academic Manager ELICOS	Manages Student Progress Cycle and the creation of Student Action Plans
General Manager	Oversees Academic Progress procedure for VU English Notifies ELICOS students of their unsatisfactory progress and intention to report to the relevant Australian Government department Considers mitigation raised by the student (compassionate or compelling circumstances) where this is validated by the findings of a Show Cause Panel Approves the cancellation of enrolment of students deemed to have made unsatisfactory progress
Director, Centre of VU Transitions	Oversight and direction of Academic Progress procedures across the Centre of VU Transitions
Student Progress Committee	A Student Progress Committee Meeting is convened at the end of each unit to discuss intervention strategies for students who are not making progress according to their academic pathway as per their CoE. The Committee is chaired by the Academic Manager ELICOS and includes the following people: - General Manager, VU English - Manager, VU English (Onshore) - Independent Learning Centre Coordinator, Level Coordinator
Show Cause Review Panel (SCP)	Where a student elects to show cause, the SCP will consider whether the student has made unsatisfactory progress in their course, whether compassionate or compelling circumstances exist to mitigate this, and, if so, decide whether they should be excluded and/or reported to the relevant Australian Government department. The Panel will be comprised of: - Director, Centre of VU Transitions or nominee; - General Manager, VU English (Chair); and - Manager, VU English. - VU Global representative when the student is a scholarship student.

Part B - Identification of “At Risk” Students

(14) To progress satisfactorily through an ELICOS course at VU, a student should be able to complete the course in the expected duration. For international students, this is specified in their CoE.

(15) An ELICOS student will be considered “At Risk” of not meeting course progress if:

- a. Their intake day writing is rated significantly lower than their pre-arrival English language assessment;
- b. They are identified as having ongoing difficulty with course work or are failing to do homework on a regular basis;
- c. They show poor attendance;
- d. They fail a W5 or W10 assessment task.

(16) Generally, assessment will be made no later than halfway through the study period.

“At Risk” Actions

(17) If a student is identified as “At Risk” teaching staff must counsel the student, complete a Student Progress Action Plan and monitor course progress. The Action Plan will identify academic intervention intended to help the student make satisfactory academic progress in the current or next study period.

(18) A copy of the Student Progress Action Plan must be filed with VUE and in individual student files. Notes should also be made on the VUE Student Management System.

(19) Academic intervention should be tailored to meet the student's individual needs. The intervention actions/strategies may include:

- a. Compulsory attendance at learning skills classes offered in the VU College Independent Learning Centre;
- b. Regular meetings with the teacher for study assistance;
- c. Additional tutoring or referral to a study group;
- d. Referral to appropriate skills workshops;
- e. Referral for personal counseling.

Part C - Consequences of Academic Progress

(20) International Students will be deemed to be making unsatisfactory progress if their unit failures mean that they will not complete the course within the expected course duration as per their CoE. If so, the following actions may apply:

- a. A renegotiated Study Plan (with a change of Principal Course if possible);
- b. Extension of English weeks (which may include an extension of their CoE);
- c. An application for a leave of absence.

(21) Upon failing a unit three times, students will be invited to a SCP meeting. The General Manager, VU English, Foundations and HE Diplomas will notify the student (and their sponsor or carer if the student is under 18) via email of the intention to report the student to the Department of Home Affairs for not achieving satisfactory course progress. Students must confirm attendance within five University business days of letter issue.

Compassionate or Compelling Circumstances

(22) Where an international student's failure to progress is due to compassionate or compelling circumstances, the University may determine that an extension of the course duration is appropriate in line with ESOS Standard 9.

(23) Compassionate or compelling circumstances are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. These could include, but are not limited to:

- a. Serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- b. Bereavement of close family members such as parents, siblings, or grandparents;
- c. Major political upheaval or natural disaster in the home country requiring emergency travel when this has impacted on the student's studies; or
- d. A traumatic experience, which could include:
 - i. involvement in, or witnessing of a serious accident;
 - ii. witnessing or being the victim of a serious crime when this has impacted on the student.

- e. Where the registered provider was unable to offer a pre-requisite unit; or
- f. Inability to begin studying on the course commencement date due to delay in receiving a student visa.

(24) Compassionate or Compelling Circumstances should be supported by appropriate documentation, i.e. medical certificates or doctor's letters, death certificates, police reports, etc.

(25) For further examples of Compassionate or Compelling Circumstances, please see [Assessment of Compassionate, Compelling or Special Circumstances](#).

Show Cause Review Panels

(26) A SCRIP is convened when one of the following occurs:

- a. A student is at the end of their CoE and has not passed the required unit of study to enter their intended destination course; or
- b. A student is not progressing according to their pathway; or
- c. A student has failed a unit three times.

(27) The SCRIP will provide the student with an opportunity to present any evidence of compassionate or compelling circumstances impacting on their enrolment.

(28) The SCRIP will be made up of the following members:

- a. Director, Centre of VU Transitions or nominee;
- b. General Manager, VU English (Chair);
- c. Manager, VU English; and
- d. VU Global representative when the student is a scholarship student.

(29) The student may have a support person present at the SCRIP, and may seek assistance and advice from a Student Advocate.

(30) Students are encouraged to attend the SCRIP in person, however they may request to attend the meeting online if compelling reasons exist. A determination will be made by the Chair.

(31) The SCRIP will:

- a. Consider any evidence (i.e. medical documentation, death certificates); and
- b. Make a determination as to whether the student has made satisfactory progress, or determine whether the student can attempt to meet English requirements for an intended destination course in light of the circumstances.

(32) The outcome of this initial review will be communicated in writing.

(33) If the decision is made to cancel the student's enrolment, the outcome letter will detail:

- a. The University's actions, including reporting to the Department of Home Affairs (see the [Enrolments Procedure](#)).
- b. The Appeals process (see [Student Appeals Regulations 2019](#)) which must be undertaken within 20 days of the outcome. Students will remain enrolled until the conclusion of the Appeals process, if initiated.

Part D - Government Reporting

(34) If the student's appeal of VU's decision to report them to the relevant Australian Government Department is dismissed by VU, on the basis that the student has not met the academic progress requirements established in this Procedure and not provided reasonable evidence of compassionate or compelling excuse, VU will report the matter to the relevant Australian Government Department through the Provider Registration and International Student Management System (PRISMS).
