- a. all employees of the University, on all domestic and offshore locations, including student residences, and while engaged in all work-related activities such as conferences and work-sponsored social occasions;
- b. all contractors and consultants performing work on University sites or on behalf of the University;

Section 5 - Definitions

(6) Business Associate: an external individual or entity which VU has, or plans to establish, some form of business relationship, or who may seek commercial or other advantage from VU by offering gifts, benefits or hospitality.

(7) Benefits

(8) Conflicts of Interest:

- a. Actual conflict of interest: There is a real conflict between an employee's University duties and private interests.
- b. Potential conflict of interest: a Staff member has private interests that could conflict with their University duties. This refers to circumstances where it is foreseeable that a conflict may arise in future and steps should be taken now to mitigate that future risk.
- c. Perceived conflict of interest: the public or a third party could form the view that a Staff member's private interests could improperly influence their decisions or actions, now or in the future.

(9) Gifts

(10) Hospitality

(11) Legitimate Business Benefit: gifts, benefits and hospitality accepted or provided for a business purpose, in that it furthers the conduct of official business or other legitimate goals of the University.

(12) Register: is a record of all declarable gifts, benefits and hospitality. It records the date a reportable offer was made and by whom, the nature of the reportable offer, its estimated value, the raising of any actual, potential or perceived conflicts of interest or reputational risks and how the reportable offer was managed. For accepted reportable offers, it details the business reason for acceptance.

(13) Staff

(14) Non-Reportable Offer: is an offer of a gift, benefit or hospitality that is offered as a courtesy or is of inconsequential or trivial value to both the person making the offer and the Staff member. Whilst the primary determinant of a non-reportable offer is that it would not be reasonably perceived within or outside VU as influencing a Staff member or raising an actual, potential or perceived conflict of interest, it cannot be worth more than \$200 (including cumulative offers from the same source over a 12 month period).

(15) Reportable Offer: is an offer of a gift, benefit or hospitality that is, or may be perceived to be by the recipient, the person making the offer or by the wider community, of more than inconsequential value. All offers worth more than \$200 (including cumulative offers from the same source over a 12 month period), are reportable offers and must be recorded on the Gift, Benefit and Hospitality register.

Section 6 - Policy Statement

(16) VU Staff are expected to behave honestly and with integrity at all times in line with the [Appropriate Workplace Behaviour Policy](#).

(17) This Policy has been informed by the [Gifts, Benefits and Hospitality Policy Guide](#) issued by the Victorian Public Sector Commission.

(18) VU is committed to and will uphold the following principles in applying this Policy:

 - i. not accept gifts, benefits or hospitality that could raise a perception of, or actual, bias or preferential treatment.
 - ii. not accept offers from those about whom they are likely to make business decisions.
- b. Accountability: Staff members are accountable for:
 - i. Declaring all reportable offers of gifts, benefits and hospitality;
 - ii. Responsibly providing gifts, benefits and hospitality;
 - iii. Monitoring the total of cumulative offers over a 12 month period;
- c. Staff members with direct reports are accountable for modelling good practice and promoting awareness of the Gifts, Benefits and Hospitality Policy and [Procedure](#);
- d. Risk-based approach: VU, through its policies, processes; Vice-Chancellor's Group; and Audit and Risk Committee, will ensure gifts, benefits and hospitality risks are appropriately assessed and managed. Staff members with direct reports will ensure they are aware of the risks inherent in their team's work and functions and monitor the risks to which their direct reports are exposed.
