## Examination Timetables

### Centrally Administered Examinations

(8) Student Administration produces onshore examination timetables for each of the Higher Education teaching periods (i.e. for Semester One and Two including Special & Supplementary Examinations, the Summer and Winter sessions) after consulting with the respective Colleges. Different publication requirements exist depending on the teaching period, and are:

Teaching Period	Examination Type	Latest Publication date
Semester One & Two*	Scheduled Examinations	Five weeks prior to the start of examination period.
	Special & Supplementary Examinations	The Wednesday preceding the start of the examination period.
Winter#	Scheduled Examinations	The Wednesday preceding the start of the examination period.
Summer#	Scheduled Examinations	The Wednesday preceding the start of the examination period.

\* Some Colleges elect to offer Special & Supplementary Examinations from the Semester One & Two examinations during the Summer and Winter examination periods.

# Special & Supplementary examinations are not formally conducted for the Winter and Summer examinations. A College may choose to offer special & supplementary examinations for these examinations, in which case administrative responsibility rests with the College.

(9) Students must be available for the formal examination period and are responsible for checking the published examination timetable.

## Seating Plans

(17) The publication of seating plans is dependent on the teaching period. The following table confirms the latest possible date for publication onto the appropriate University Internet site.

(18) Seating lists are displayed prominently at the examination venues on the day of the examinations.

Teaching Period	Examination Type	Latest Publication date
Semester One & Two	Scheduled Examinations	Three weeks prior to the start of examination period.

(74) Invigilators/examiners should advise students of the Rules before the commencement of the examination, using the University's Examination Announcement.

(75) Authorised Officers aware of a potential or actual incident should assess the situation and respond to issues at their discretion, seeking advice from Chief Invigilators and the supervising academic staff member as appropriate:

- a. is found to be switched on, but not in use;
- b. has been placed in the incorrect location.

(77) Where students are administered with a warning, a record will be made of the warning and a letter sent to the student after the examination reiterating the substance of the warning. Students may only receive one warning - all subsequent infractions of examination rules will be treated as a breach.

(78) Authorised Officers who suspect a student may be cheating must report the matter to the Invigilator/Supervisor responsible to confirm a breach has occurred/is occurring. At that time:

- a. The [Breach of Examination Report](#) must be completed by the invigilator/examiner who observed the potential misconduct, and signed by the Invigilator in charge (centrally administered examinations only).
- b. This [Breach of Examination Report](#) must be fully completed as soon as a suspected breach occurs.

(79) Authorised Officers may:

- a. give reasonable directions (see [Student Misconduct Procedure](#)), including confiscation of unauthorised materials; and/or
- b. temporarily remove a student in more serious situations (see [Student Misconduct Procedure](#)).

(80) Conduct should be reported to the Examiner/Unit Convenor as soon as possible after the breach has occurred, without waiting until the end of the examination.

(81) Students should be encouraged to complete their examination and see the Invigilator/Supervisor in charge at the end of the examination.

(82) At the end of the examination the student's ID card should be returned and they must be given the breach of examination notice and the Student Advisory notice.

(83) Confiscated material, except for electronic devices, must not be returned to the student at the end of the examination. The student can make arrangements to collect confiscated material after the investigation and outcome.

(84) If the Examiner is present, they can complete their section of the [Breach of Examination Report](#) and consider any materials.

(85) If an Examiner is not present, unauthorised material should be photographed/scanned and the Examiner sent a copy by email in order for them to complete the relevant section on the [Breach of Examination Report](#) to return to the

Integrity Office within two (2) working days from receipt of the email.

## **After the Examination**

(86) The completed [Breach of Examination Report](#) must be sent by email to the Integrity Office.

(87) If an incident is reported as a Breach and sufficient information has been provided, the matter will be referred to a Senior Officer within the College as an allegation of misconduct as set out in the [Student Misconduct Procedure](#) and [Student Misconduct Regulations 2019](#).
