(9) Currently enrolled on-shore students can apply for an Academic Transcript for a fee by downloading the relevant form from the student portal.

(10) On-shore graduates can receive free of charge an Academic Transcript within the four week period after the graduation ceremony. After this time charges will apply for the production of multiple and replacement Academic Transcripts. Students attending a graduation ceremony will receive their Academic Transcript at the ceremony. Students not attending a graduation ceremony will receive their Academic Transcript through the post or by collecting it from a Student Service Centre.

(11) Offshore students will receive their Academic Transcript via the off campus administration when semester results are released. Additional copies are available and the standard transcript charges apply.

(12) Students can request to have an Academic Transcript replaced if their results have been altered since the first issue. Students must return the original transcript to the Student Centre and a new Academic Transcript will be issued. Off-shore students can post the request to the Student Centre.

(13) An Academic Transcript will be replaced for a fee if damaged, destroyed, stolen, lost, or as a result of a name change due to marriage, divorce or deed poll. The relevant form must be completed and can be downloaded from the student portal. If the Academic Transcript is to be replaced due to a name change, the student must follow appropriate processes to change their name in the enrolment system before requesting the replacement transcript.

(14) The cost of a new or replacement Academic Transcript is reviewed annually as part of the Student Services Ancillary fees.

The VU testamur will distinguish the language of course delivery, using the terms 'bilingually delivered in English and [name of LOTE]' or 'delivered in [name of LOTE]'. In every other respect, the testamur will conform with standard VU requirements.

Online Statement of Results

(19) The Online Statement of Results is an official Victoria University document that students can download from the student portal after results are released for that semester. However, most Institutions will require an Academic Transcript as official evidence of results.

(20) There is no limit on when, and how often, a student can access this information and there are no fees and charges for an Online Statement of Results.
