Part B - Identifying Students for Completion

(4) VU identifies those students who have potentially fulfilled the course requirements based on the course completion rules. Each College representative assesses eligibility by checking the student's academic record and formally approves or rejects eligibility.

(5) Students approved for completion are conferred with an Award of the University, as defined within the [Register of Awards](#).

(6) All eligible students receive email notification of their successful course completion and conferral of the Award.

Part C - Conferal of Awards

(7) All University Awards are conferred by the Council and certified through the issuance of a Testamur. The Vice-Chancellor, acting on behalf of the Council, approves the conferral of awards following a memo from the Chief Student Officer and Registrar.

(8) Conferal of Higher Education awards will be aligned with the publication of results for each study period, ensuring that awards are conferred only after final results are officially released and verified.

(9) Hard Copy Testamurs are conferred to HE and TAFE Graduands at the next graduation ceremony round or in absentia. TAFE Testamurs are conferred on a weekly basis to ensure students receive their digital Testamurs within 30 days of completion, in accordance with ASQA guidelines. If a HE or TAFE graduand does not elect to attend a graduation ceremony or apply to graduate in absentia, the Testamur will be held by the university until the graduate arranges to collect it.

(10) On completion of the requirements for a:

- single Award course students will be eligible to receive a Testamur for that Award;
- double Award course students will be eligible to receive a Testamur for each Award;
- dual Award students will be eligible to receive a Testamur from VU and the partner institute.

(11) Students who are enrolled in a nested Self Accredited Award, and who are continuing their studies towards a

higher qualification, will receive a Notification of Completion and Testamur as evidence of completion of the first Award.

(12) Students who are not continuing their studies towards a higher Award must withdraw and by exiting their studies, may be eligible to receive a Testamur for the completed qualification.

(13) VU will not confer an award, and students are not eligible to receive a Notification of Completion, Academic Transcript, AHEGS, Statements of Attainment or Testamur if they have:

- a. Outstanding fees and/or debt;
- b. an invalid Unique Student Identifier (USI) (unless an exemption applies under the [Student Identifiers Act 2014](#)).

Certification Documentation

(14) Upon conferral:

- a. Higher Education Graduates receive:
 - i. Testamur
 - ii. Academic Transcript

- b. VET Graduates receive:
 - i. VE Qualification Testamur
 - ii. Academic Transcript
 - iii. Notice of Completion

(15) VET students who partially complete an award course or who complete a non-award course with accredited units are eligible for a Statement of Attainment. Upon completion of a Competency such as First Aid, or non-award courses with accredited units, the TAFE Course Manager finalises the student's results on the day and students can obtain a Statement of Attainment from a VUHQ service location.

(16) VU maintains a Graduation Register of all Testamurs issued to graduates. The records are retained for a minimum period of 30 years. This register contains sufficient information to identify correctly the:

- a. holder of the Award;
- b. Award by its full title (and code for externally registered VET Awards); and
- c. date of issue/conferral.

Authenticity

(17) The use of the University Seal deems that the Award has been conferred by Council. For hard copy testamurs the seal will appear in raised relief on the front of the secure stationery. A unique identifier is also printed on the Testamur. This number is recorded on the register of all awards conferred in accordance with the [AQF Qualifications Issuance Policy](#).

(18) Digital versions of the Testamur may be issued instead of/in addition to a hard copy testamur. A digital version has the same status as a hard copy version but is provided to the student via a secure login. Students can share the digital testamur with third parties as they choose.

(19) Testamurs must include all information as specified in the [Awards Regulations 2018](#), Part 6.

Part D - Academic Transcript

(20) An academic transcript is available to any student who has enrolled in a course at Victoria University (VU) (award or non-award) and has completed at least one unit. The student does not need to have completed the course and a transcript can be obtained at any time during their study, free of charge. Standard transcript charges will apply once the student has completed.

(21) Students who have completed an Award course are entitled to receive an electronic copy of their official academic transcript free of charge at the time of conferral. Offshore students will receive access to their Academic Transcript via the off campus administration centre when semester results are released. Additional copies are available and the standard transcript charges apply.

(22) Academic Transcripts will contain detail in accordance with the [Higher Education Standards Framework \(Threshold Standards\) 2021 \(Cth\)](#) Standards 1.5.4, 1.5.6 and 1.5.7.

(49) Aegrotat or Posthumous Awards apply in the event that a student has been prevented from completing their studies, or has completed studies but not yet graduated, due to an incapacitating illness, missing status, injury or death.

(52) The recommendation and Application for Graduation is submitted to the Awards and Graduations Team. The Director, Admissions, Enrolments, and Graduations approves, or otherwise, the award as per criteria in the [Awards Regulations 2018](#).

(53) It should be confirmed that the conferral of an award will not cause offense or undue distress to the relatives of the deceased, the incapacitated student or to others within VU or the community. Where a student has completed all course requirements and passes away after conferral the relevant college will liaise with the family to arrange attendance at the ceremony to receive the award on the student's behalf. In the case of an aegrotat award to a living person, the student should be invited to participate as fully as practicable in the appropriate graduation.

(54) Posthumous and aegrotat awards should be conferred at the next conferral round after approval, or – if possible – at the point in time when the student might otherwise have expected to graduate, providing this is within two years of the death of the student.
