- b. For Affiliate Awards the relationship is acknowledged by the words 'This programme of study for this course was undertaken in affiliation with the [name of institute].
- c. For Dual Awards the relationship is acknowledged by the words: 'This course was undertaken jointly with [name of institution]. It is also expected that the Testamur issued by the partner institution will acknowledge Victoria University in a similar manner.

Part D - Conferring an Award and Issuing a Testamur

(17) All University Awards are conferred by Council and are certified by the issuance of a Testamur.

(18) Testamurs are issued to Graduands at a designated University ceremony or in absentia.

(19) VU maintains a Graduation Register of all Testamurs issued to graduates. The records are retained for a minimum period of 30 years. This register contains sufficient information to identify correctly the:

- a. holder of the Award;
- b. Award by its full title (and code for externally registered Awards);
- c. date of issue/conferral.

(20) Prior to the conferral of the Award graduands, can apply to the Assessment and Completions Unit for an official Letter of Completion if they require it for employment, Visa or further study purposes.

Part E - Replacing a Testamur

(21) A Testamur will be replaced for a fee. The relevant form must be completed which can be downloaded from the student portal. An authorised statutory declaration must be submitted at the time of application.

Part F - Revoking and Surrendering a Testamur

(22) An Award must be formally revoked under the authority of University Council following an investigation that the Award has been incorrectly conferred on a recipient:

- a. for which that recipient was not qualified; or
- b. because of fraud or dishonesty; or
- c. as a result of administrative error.

(23) A memo outlining the reason for the revocation is prepared for the Vice-Chancellor's consideration by the Assessments and Completions Unit. The Vice-Chancellor, after conducting an investigation, will recommend revocation if appropriate to University Council. The process for conducting the investigation and providing the graduate with an opportunity to respond is detailed in Part 5 of the [Awards Regulations 2014](#).

(24) If revocation occurs, the graduate is advised to return all official artefacts associated with the issuing of the Award. The details of the revocation will be noted on the Graduation Register and the student record.

(25) In situations where a student has completed an Award which articulates directly into a higher AQF level Award there is no requirement for the student to surrender the Testamur at the time of enrolment, or when the higher Award is conferred.

Part G - Authenticity

(26) The use of the University Seal deems that the award has been conferred by Council. The seal will appear in raised relief on both the front and back of the parchment. A unique identifier is also printed on the Testamur. This number is recorded on the register of all awards conferred in accordance with the AQF Qualifications Issuance Policy. The date of collection of all Testamurs also forms part of the register. The official Statement of Attainment is also printed on our secured foiled paper. All results and wording related to the record is generated from the Victoria University Student Management System, VU Connect. The official paper has the following wording preprinted at the bottom of each page:

a. Security and Verification

- i. The VU logo in the top left hand corner of an original transcript includes a blue embossed VU diamond with a gloss overlay and plain black text. The embossed diamond will appear in raised relief on the front of the transcript and as an indentation on the back. The authorised signatory of Victoria University, indicates the transcript is valid. If an enquirer has the written authority from the named student, Victoria University will check the accuracy of information in this document.
